

Prayer Requests

1. Please pray for the teachers who are serving children on the Island of Promise. May they continue to be excellent at their work, leading children to know their purpose in God. May Mustard Seed's teachers grow in perseverance with love whenever they serve the children in remote villages.
2. We give thanks for the provision that was utilized to build two classrooms, a playground, and two student bathrooms. Please pray for the provision of the following needs:
 - * Well drilling. They are struggling to get clean water.
 - * Adding six more classrooms.
 - * The ongoing projects: teacher's bathrooms, gymnasium, school fence, floor finishing, and more playground equipment.
3. Please pray for the children and their families. May God protect them against all virus and diseases. Many of them don't have access to health care facilities and clean water.
