

THANK YOU FOR FAITHFULLY SOWING

"Whoever sows to please the Spirit, from the Spirit will reap eternal life. Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up."
(Galatians 6:8b-9)

TIRTA'S VILLAGE SCHOOL, PAPUAN HIGHLANDS

A new set of solar panels and internet have been installed, enhancing the school's capabilities. Currently serving 134 students, the school is also preparing to launch high school programs.

HARTA'S VILLAGE SCHOOL, PAPUAN HIGHLANDS

The school development has been completed and has received two operational permits from the local government. Plans for building a student dormitory are underway, with the community actively praying for its realization.

WANA WALINGE, PAPUAN HIGHLANDS

A new partnership has been formed with an independent school in a remote village, where one TfN intern, alongside five local teachers, is discipling 75 children.

SLIPPERY ROCK, BORNEO

Two new communities have begun receiving support and resources to bring Christian education to animistic groups.

MENTAWAI ISLAND

Construction of the school building and computer lab is now complete, providing a dedicated learning environment for 70 students and 10 teachers.

SUMBA ISLAND

The school building continues to grow, with two new classrooms recently opened and additional rooms under construction. As a central hub for 25 village schools across the island, the school supports education throughout the region and blesses 814 children.

MSI'S LAB SCHOOL, JAVA

MSI's Lab School, known for its high accreditation, is a hub for diverse Christian education programs. It hosts initiatives like the TfN and Elevate teacher training programs, along with youth empowerment centers that impact the lives of over 1,431 students. These facilities are essential in preparing indigenous youth, equipping them to serve in cities and villages across Indonesia, where they can make a lasting impact.

TRANSFORMATION (TFN), JAVA

The TransformNation Teach-Training Program welcomed 12 new teacher trainees, including six young men. To support the growing need for male educators, TfN has purchased a new building for a future male dormitory, and renovations are currently underway. This new facility will enable TfN to accommodate more male trainees, who play a crucial role in educating children in isolated and high-risk areas.
